

## Gaming Laboratories International (GLI®) to Share Valuable Industry Experience at the Indian Gaming Tradeshow & Convention (NIGA 2018)

LAS VEGAS, NV (April 11, 2018) – [Gaming Laboratories International \(GLI®\)](#) will share nearly three decades of tribal gaming experience during the [2018 Indian Gaming Tradeshow & Convention](#) at the Las Vegas Convention Center, April 17 – 20.

“We are delighted to welcome our valued tribal partners to **GLI’s booth #827** at this year’s exciting NIGA tradeshow in Las Vegas,” said GLI’s Director of Client Services, Michael Capen. “This is a unique opportunity for tribal regulators, tribal governments, tribal operators, and gaming suppliers to meet with our knowledgeable team of tribal gaming experts on a variety of important topics impacting the future of tribal gaming throughout the country. We look forward to sharing thought-provoking insights, building and strengthening relationships, exploring innovative solutions, and learning from one another in a spirit of cooperation and dialogue.”

“I cordially invite attendees to join me and fellow panelists in Room N261 on Wednesday, April 18 from 2:00 p.m. to 3:00 p.m. for an informative discussion on the topic [‘Class II: The New 547.5 Standards. Are You Compliant?’](#),” added Capen.

### Tribal Experts Provide Strategic Insights & Product Information

GLI’s team of tribal experts will be on hand to discuss how GLI’s proven world-class tools and resources can help pave the way toward success. A [NIGA Associate Member](#) since 1999, GLI has a long and successful history of providing valuable, high-quality training and assessment services to more than 225 tribes across North America.

Offering tribes the industry’s leading standards of quality and customer service, GLI’s knowledgeable tribal team will speak to tribal representatives and gaming suppliers about a wide assortment of world-class products and services at this year’s NIGA show. These include, but are not limited to:

- Accounting System Audits and Inspections
- Gaming Floor Audits and Inspections
- Bingo Systems Audits and Inspections
- Communication Testing, Including Advance Funds Transfer (AFT) Testing
- Kiosk Testing and Inspections
- Verification of Bonus Features
- Software QA & Testing
- Governance, Risk & Compliance

### Cybersecurity, Casino Management & Educational Services on Display

Attendees visiting GLI’s **booth #827** will also learn about the class-leading cybersecurity services offered by [Bulletproof](#), a GLI company, including:

- PCI, DR, Incident Response and Consulting
- IT Infrastructure Consulting
- IT Project Management, Software QA & Testing
- Microsoft & SharePoint Consulting

- Security Aware Employee Training

Additionally, experts from [Kobetron™](#) will be available to demonstrate the globally recognized capabilities of such well-known and respected products and services as [IRIS Enterprise®](#) casino process management, [IRIS Online®](#) real-time status alerts, [Verify+ by Kobetron™](#), and the latest [Kobetron hand-held verification tools](#).

Tribal regulators, gaming suppliers, and tribal operators of all experience and knowledge levels can also learn how they can benefit from the extensive educational and training opportunities provided by [GLI University®](#), the company's world-renowned resource for constant learning and constant change.

### **About Gaming Laboratories International**

Gaming Laboratories International delivers the highest quality testing and assessment services to tribal operators, tribal regulators, tribal governments, and gaming suppliers.
