

## **Gary Platt Manufacturing Brings Hand-Crafted Perfection to Indian Gaming Tradeshow**

### ***Casino Industry's Leading Chair Company Displaying a Dozen Models in booth #1026***

RENO, Nev. (April 9, 2018) – All players at any size Tribal casino across North America enjoy their game of choice in the unsurpassed comfort of chairs by Gary Platt Manufacturing. Now Gary Platt is bringing its handcrafted perfection with 12 different models to booth #1026 at the 2018 Indian Gaming Tradeshow.

“We are excited to be exhibiting at the Indian Gaming Tradeshow. For the last 20 years, we have been honored to work with our Tribal partners in every state. Now at the tradeshow, we will be showcasing our latest models, as well as speaking about how our chairs are field-proven to increase time on device,” said Vice President of Sales and Marketing, Joshua Corrick.

Gary Platt recently supplied 4,400 of its Lido chairs for the casino remodel at Pechanga Resort and Casino, and the company will show the same model at the Indian Gaming Tradeshow. The Lido provides unsurpassed comfort to guests and to dealers because it is hand-crafted and constructed with a proprietary blend of foam and features a sleek front with space on the back for a customer’s signature design.

Also showing is the popular Monaco model. Its patent-pending design and razor-sharp details bring a distinctive flair and chic essence to any area of the casino.

Additionally, Gary Platt will exhibit its BX2, GX2 Gazelle, Kopa, Lugano, Revo, San Remo, Sierra, Sonoma Club, and Vue models, as well as the new Eclipse office chair.
