

## **Gary Platt Manufacturing Goes Global with Opening of Gary Platt Europe**

*London-based Office Will Supply World's  
Most Comfortable Chairs to Casinos throughout Europe*

LONDON (25 January 2018) – Gary Platt Manufacturing has opened its first permanent location outside of the United States. London-based Gary Platt Europe has a dedicated sales team led by European gaming industry veteran Jon Temple, and the team will direct-sell Gary Platt's entire line of chairs to casinos throughout Europe.

Temple will act as General Manager for Gary Platt Europe. With the expansion of Gary Platt to the European market, the company can now cover more territory than ever.

"This is an exciting step forward in our company's storied history," said Gary Platt Vice President of Sales and Marketing Joshua Corrick. "For more than 20 years, we have been hand-crafting the world's most comfortable chairs, allowing our customers to provide their guests with a premium gaming experience. Now with Gary Platt Europe, we are able to bring the world's best chairs directly to our customers."

"2017 was Gary Platt's best year to date in Europe, and ever-increasing customer demand led directly to our decision to open a permanent location in Europe, allowing us to interact directly with customers, empowering us to better react to their needs," Temple said. "Gary Platt Europe will be a sales and service hub, and we may expand that footprint to include manufacturing in the near future."

Gary Platt Europe will greet customers and attendees at next week's ICE Totally Gaming. The company will be on stand #S5-200, where it will display multiple new and innovative ergonomic chair concepts from its line of hand-crafted performance casino seating.
