

Kiron Interactive Launches the GOAL Premier Virtual Game at ICE London 2024

Kiron Interactive, a renowned Virtual Sports and numbers games provider, will use the upcoming ICE London 2024 to reveal an array of its new products. Ahead of the industry's largest event to be held from February 6 to 8, the provider announces the premiere of its flagship GOAL Premier football game set to enhance the gaming perspective and elevate the player experience.

Kiron Interactive boasts its **GOAL Premier** development features impeccable graphics and innovative betting options. The product will debut at the London event to offer visitors an exclusive insight into a wide range of **high-end features** such as the largest volume of motion-capture data ever recorded in the industry, the cast of **professional football players** used to bring the motions to life and more. These are made additionally realistic using **video effects** produced in a highly reputable studio to provide a **flawless animation** and an **exceptionally realistic feel** that will reportedly take the player experience at another level.

Complete Gaming Package:

GOAL Premier is packed with action as games are changing every two minutes to invite to the scene **the most popular international teams**. The action continues with a range of **betting options** for each game. The Kiron's leading product has been developed using the **up-to-date technology** to offer an **immersive graphic and sound design** topped with a **professional commentator's narration** to wrap up the juicy package for the **ICE London 2024**.

But that's not all; it seems that the provider makes sure not to slip on the **ICE London** as it prepares an additional gear to rather ensure a smooth slide around the partnering booths at the upcoming event. Indeed, Kiron will also avail of the event to launch **Penguin Plunge**, **Crab Roulette** and **Roach Roulette** virtual games. These hybrids of **roulette** and virtual racing will also couple with the crash games **Rodeo** and **Arm Wrestling** to wind up a comprehensive studio's offerings.

ICE London 2024 Presence:

Kiron Interactive will present all these developments from its stand **S2-110 at ICE London 2024**. The attendees may use the opportunity to preview the products and discuss the options to boost own operations with these developments.

Steven Spartinos, Kiron Co-CEO, reportedly said: *“ICE has always been the industry’s showpiece event where, if you have something to shout about, then it is the place to do it. 2024 is set to be arguably Kiron’s most exciting in terms of the quality and quantity of new products. As a company, we’ve been hard at work for some time now, creating, innovating and breaking boundaries with an unprecedented number of new products that elevate the verticals we service.”*

Spartinos added: *“GOAL Premier is set to revolutionise the Virtual Sports betting landscape, positioning Kiron as the leading provider and serving as the ultimate addition to operators’ portfolio. Our new Instant Win and Crash games will provide players with unique gaming experiences they won’t have seen before and are sure to love. We invite all attendees to visit us at ICE to experience our new games, and we look forward to discussing how we can contribute to enhancing player acquisition, retention, and revenue for operators.”*
