- 38% more likely to visit
- 18% less likely to visit
- 45% have no impact on whether you visit or not

Please indicate whether you strongly agree, somewhat agree, somewhat disagree or strongly disagree with each of the following statements.

| *strongly agree + somewhat agree may differ from total agree % due to rounding.                                     | Strongly Agree | Somewhat Agree | Somewhat Disagree | Strongly Disagree | Unsure |
|---|----------------|----------------|-------------------|-------------------|--------|
| 14. If smoking were prohibited in casinos, it would be a more pleasant experience for customers. <b>(71% agree)</b> | 46%            | 25%            | 11%               | 7%                | 11%    |
| 15. Casinos would attract more customers if they provided a smoke-free environment. <b>(59% agree)</b>              | 31%            | 27%            | 17%               | 8%                | 17%    |
| 16. Casinos that prohibit smoking are cleaner and safer for customers and workers. <b>(79% agree)</b>               | 52%            | 27%            | 9%                | 4%                | 8%     |
| 17. Casino workers should not have to be exposed to second-hand smoke during work. <b>(79% agree)</b>               | 52%            | 27%            | 7%                | 5%                | 8%     |
| 18. No one should have to choose between exposure to second-hand smoke and a paycheck. <b>(77% agree)</b>           | 54%            | 23%            | 9%                | 5%                | 8%     |
| 19. Indiana's casinos should be smoke-free like neighboring states. <b>(65% agree)</b>                              | 45%            | 20%            | 13%               | 12%               | 10%    |

|   | Strongly Agree | Somewhat Agree | Somewhat Disagree | Strongly Disagree | Unsure |
|---|----------------|----------------|-------------------|-------------------|--------|
| 20. Casinos should design properties with easily accessible outdoor smoking areas. <b>(80% agree)</b>   | 48%            | 32%            | 7%                | 5%                | 8%     |
| 21. Casinos should prioritize the health and safety of customers and workers over profits. <b>(79% agree)</b>                                   | 52%            | 27%            | 8%                | 4%                | 9%     |
| 22. Forcing casinos to be smoke-free will hurt their business and cause them to lose customers. <b>(49% agree)</b>                              | 18%            | 31%            | 17%               | 17%               | 16%    |
| 23. There should be a state law requiring all casinos to be smoke free. <b>(59% agree)</b>  | 37%            | 21%            | 13%               | 16%               | 13%    |
| 24. Each casino should be free to decide whether or not to allow smoking. <b>(54% agree)</b>  | 27%            | 27%            | 14%               | 21%               | 12%    |
| 25. As a customer, I should have the option to go to a casino that allows smoking. <b>(50% agree)</b>   | 25%            | 25%            | 16%               | 21%               | 13%    |
| 26. If casinos in neighboring states prohibit smoking, allowing smoking in Indiana casinos could be a competitive advantage. <b>(54% agree)</b> | 22%            | 32%            | 17%               | 14%               | 15%    |

27. When it comes to making decisions about where to go to eat, relax or have a drink, do you avoid places that allow smoking...

- 41% All of the time
- 23% Some of the time
- 25% It is not a consideration
- 10% It depends
