

LIGHTNING BOX TO SHOWCASE FOUR FAVOURITES AT G2E VEGAS

Aussie developer to team-up with Incredible Technologies and Everi

Sydney, 2nd October 2017 – Lightning Box games is set to partner with land-based suppliers Incredible Technologies and Everi to showcase four of its most popular titles at G2E Vegas.

The Sydney-based slot developer's Stellar Jackpots-Chilli Gold 2 and Stellar Jackpots-Dolphin Gold will both feature on land-based cabinets alongside Astro Cat Deluxe and Dragon Palace.

The partnerships with Incredible Technologies and Everi further enhances Lightning Box's commitment to a true omni-channel offering, having already enjoyed success both online and in social gaming.

Peter Causley, Lightning Box's managing director and co-founder, said: "We are delighted to be showcasing four of our most popular titles in Las Vegas to the land-based gaming sector.

"Partnering with two suppliers who have enjoyed such strong growth in the land-based gaming as Incredible Technologies and Everi shows that we are serious about delivering a truly omni-channel product.

"We are seeing a real correlation between our popular titles performing in both online and land based casinos, and welcome the feedback from G2E delegates putting the games through their paces."

G2E Vegas visitors will be able to play Dragon Palace at Everi's booth at 1116, while visitors to Incredible Technologies booth at 4047 can play Astro Cat Deluxe, Stellar Jackpots-Chilli Gold 2x and Stellar Jackpots-Dolphin Gold.
