## Dear Merkur Gaming Customers and Business Partners,

It is our very great pleasure to welcome you to the 2018 edition of Global Gaming Expo (G2E) on behalf of Merkur Gaming, the international manufacturing and commercial arm of the Gauselmann Group. We are totally dedicated to our high values of made-in-Germany quality engineering standards, outstanding customer service and a truly diverse product portfolio.

So it is with great pride that we present our very latest product brochure that features our newly enhanced cabinet range together with our latest new games portfolio.

2017 was a milestone year for Merkur Gaming as we celebrated the 60th anniversary of the Gauselmann Group and 40 years of the Merkur Gaming brand as we continued, through innovation and expansion, to write new success stories in key gaming markets around the world. Now, here at G2E 2018 in Las Vegas, we invite you, our customers and business partners, to join us in this great adventure as we once again demonstrate that, as always, games are in our DNA and the Merkur Gaming created games content is tailor made for the most important business of all: **YOURS!**

Thanks to the global reach of Merkur Gaming's international research and development facilities our games portfolio is as diverse as it is entertaining. Check out our latest titles here at G2E: great titles that are sure to become operators' favourites throughout the world of gaming. Look out for Asian Towers, Big Deal Wheel, Crash Stacks, Jewels of the Nile, Neon Panther, Savanna Stampede, Secret Area 150 and Western Pacific among more than 120 other exciting titles that will all be available to see and play. Capture their excitement, enjoy their entertainment, our game innovations are at your command.

Great Games of course demand great cabinets and, here at G2E, Merkur Gaming will for the first time display the latest addition to its hugely successful product range. To be unveiled as G2E opens its doors will be a curved screen cabinet Allegro that will supplement, and add an entire new dimension to, the existing winning range of Avantgarde, Avantgarde Trio, Merkurstar, Evostar and Evostar Trio. Incorporating numerous technology enhancements, Merkur Gaming is proud to present its full range of G2S compatible gaming machines.

Along with the key factor of game development the core competence of Merkur Gaming is the empirical value of the Gauselmann Group as your strategic partner. With a progressive increase in our own operations, now more than 14,000 employees worldwide, our market leadership in Germany and across Europe as well as continuing development and expansion throughout the Americas, Merkur Gaming and the Gauselmann Group are rightly acclaimed as one of the most experienced and dynamic forces in world gaming.

Thank You for your continued support of the Merkur Gaming brand and the entire Gauselmann Group: always your number one choice.

With our best regards,

**Charles Hiten**  
Chief Executive Officer,  
Merkur Gaming Americas

**Athanasios 'Sakis' Isaakidis**  
Chief Executive, International

# AVANTGARDE TRIO

Curvy, elegant and modern - these characteristics define the Avantgarde Trio perfectly. The Avantgarde Trio sets new high standards of integrated design and with its third high definition screen provides the opportunity to display video content and / or embedded Jackpot signage for the overall gaming experience.

## Avantgarde Trio features:

- Quality gaming machine cabinet featuring three gloss-finish 27" Full HD wide-screen monitors
- Distinctive, unique and innovative design
- Brilliant colour effects around the monitors that fully maximize the overall HD technology package
- High-performance multi-game enabled technology platform
- Excellent acoustical and powerful sound
- Ergonomic design for total player comfort
- Easy access to all technical components
- Compatible with all major online systems
- Proven German innovation and top quality manufacturing
- Video button Panel (option)

# Evostar Trio

Our world class innovative upright gaming machine, the Evostar Trio, offers not just a dynamic modern look and absolute player comfort – but also features a built-in USB port to charge a mobile phone during game play. Evostar Trio is modern technology combined with an additional enjoy factor – discover the benefits of these evolutionary cabinets: not just for your casino floor but also for the game time satisfaction of your players.

## Evostar Trio features:

- Quality gaming machine cabinet featuring three gloss-finish 24" Full HD wide-scrree monitors with outstanding lighting effects around the monitors
- Distinctive, modern and attractive design
- Overall HD technology package

### The NEW GeWeTe Cash-Protect-System

The GeWeTe Cash-Protect-System offers enhanced protection for monitoring and actively safeguards against attacks to your cash handling system.

The GeWeTe Cash-Protect-System obstructs the attacker with different mechanisms and sensor systems to reduce losses and excessive damage. It increases the resistance time of the protected Cash Handling system until the arrival of the authorities. This system is active 24/7 against opening, sabotage and attack.

#### Protective properties:

- Patented, highly resistant composite protective housing with integrated LED ambient lighting
- Sabotage- and vandalism-resistant detection sensors
- Patented multi-level sensor evaluation for the highest possible false alarm security
- Security fog as an optical attack barrier – can be activated repeatedly
- Volumetric sensors with 3D coverage area
- Assembly possible directly on the device or on the wall
- MEMS sensors with 3D algorithms for attack evaluation
- Sabotage security through multiple housing monitoring
- Radio code keyboard with individual code issue for flexible positioning at the protective area
- Optical and acoustic status display

Compatible with ANY cash handling systems. Can also be retrofitted.

Innovation is our tradition.
