

## Entertainer Drew Carey Hosts Plinko Games at G2E to Celebrate World Debut of IGT's The Price is Right Slots

*National Indian Gaming Association (NIGA) Chairman Ernie Stevens Jr. to test his Plinko skills*

**WHAT:** Entertainment icon and The Price is Right host, Drew Carey will celebrate the world debut of IGT's The Price is Right slots at the Global Gaming Expo. Carey will host spirited games of Plinko with the National Indian Gaming Association (NIGA) Chairman Ernie Stevens Jr. on a replica of the player-favorite game from the famed daytime TV show – The Price is Right.

**WHEN:** Wednesday – October 10, 2018  
1:10 – 1:30 p.m. --- Photo Opportunity/Media Stunt  
1:30 – 3:00 p.m. --- Drew Carey plays Plinko with IGT customers for real prizes

**WHERE:** IGT Booth #3659 – Global Gaming Expo  
Sands Expo -- 201 Sands Ave, Las Vegas, NV 89169

**WHY:** At G2E, IGT will debut three, The Price is Right-themed casino games including:

- **The Price is Right Showcase Showdown Slots on the MEGATOWER™ Universal cabinet.** The towering, three-reel, five-line game stands 11-feet tall and places lucky players in the middle of their own "Showcase Showdown" bonus events, where they can spin the Big Wheel for grand prizes.
- **The Price is Right Video Slots on the CrystalCurve™ ULTRA cabinet.** The vibrant three-level progressive features vignettes with game show host Drew Carey and comes to life on the cabinet's 32-inch, curved lower display and its 50-inch, curved upper display. The highly interactive game features many of the TV game show's most popular games such as Punch A Bunch, Cliff Hangers, and Rat Race.
- **The Price is Right Plinko Slots on the CrystalDual™+ Stepper cabinet.** This three-reel, five-line game gives players the chance to play the widely loved The Price is Right Plinko game for a chance to win big prizes on a classic, mechanical reel slot.
