

## FANTINI LAUNCHES G2E COVERAGE

Fantini Research has launched its comprehensive coverage of G2E with a special section on the company's website:

<https://www.fantiniresearch.com/conventions/g2e/g2e-2019.html>.

The G2E section is a one-stop destination for all you want and need to know about the gaming industry's leading trade show.

Every day, all announcements and news releases about G2E from exhibitors will be posted to <https://www.fantiniresearch.com/conventions/g2e/g2e-2019-trade-show-exhibitor-news.html>.

When G2E arrives, Fantini Research will once again provide the show's most unique and invaluable coverage:

- **CEO One-On-One Interviews.** Videoed talks lead by Fantini Research CEO Frank Fantini. Hear leading CEO's discuss their outlooks for the gaming industry and for their companies in this prestigious series.

- **At-Booth Product Demos.** See for yourself the industry-changing products from a wide variety of content and technology providers right from the G2E trade show floor.

- **Emerging Companies.** Hear the CEOs of young and innovative companies discuss their plans for changing the gaming industry.

This extraordinarily valuable coverage is possible because of the support of sponsors:

- *AINSWORTH TECHNOLOGIES*: Overall sponsor and presenter of the CEO One-One-One Interviews.

- *IGT*: Sponsor of both the traditional At-Booth Product Demos and the Emerging Company Demos.

- *GAN*: Fantini's Gaming Show sponsor and sponsor of the Fantini Research Blog.

- *GAMING LABS*: Sponsor of the Convention Calendar page on the Fantini Research website.
- *EVERI*: Sponsor of Fantini's coverage of Interactive and Emerging Forms of Gaming at G2E and throughout the year.
- *GAMING ARTS*. Sponsor of Fantini's G2E Exhibitor News and Updates.
- *GLOBAL PAYMENTS*. The Fantini's Pre-G2E Guide sponsor.
