MACAU TRAVEL EASES SLIGHTLY

Guangdong allowed the city of Zhuhai to ease border restrictions with Macau allowing business and special travel without a mandatory 14-day quarantine.

Macau residents must apply for exemption through an online registration system.

Residents returning from abroad will be shuttled from the Hong Kong International Airport for a 14-day quarantine while non-residents are able to leave the city through the airport.

Galaxy Entertainment is hoping Macau will ease travel restrictions with Guangdong Province within a month, Inside Asian Gaming reported.

The company was relying on border restrictions easing up already.

Galaxy's daily expenditures have reached \$2.8 million and greatly impacted business, Chairman Lui Che Woo said. Despite this, construction will continue on Galaxy Macau.

US SPORTS BETTING MARKET FORECAST

Thanks to COVID-19, the US sports betting market should reach \$650 million to \$950 million in revenue this year, rather than his original forecast of \$1.6 billion, Chris Grove says in the June edition of his US Sports Betting Market Monitor.

Among other highlights in the 34-page report are that theScore is rumored to be shopping itself to prospective buyers and an analysis of what Grove said "what looks like a major gift" that the Illinois Gaming Control Board gave to non-endemic brands.

The Monitor is available from Alex Capitle at ACapitle@FantiniResearch.com or +1 302 730 3793.

US RE-OPENINGS: MD, NY, WA

- MARYLAND casinos can reopen June 19 with local approval, The Baltimore Sun reported.

Indoor dining at restaurants can resume Friday at 50 percent capacity.

- NEW YORK. The Seneca Nation will reopen its casinos, Niagara on June 18, Buffalo Creek on June 25 and Allegany on July 2, with limited capacity and reduced hours.

The Oneida Nation already opened the Turning Stone Casino.

- WASHINGTON. Snoqualmie casino reopened Thursday.

Temperature checks and masks are required for entry.

INTERNATIONAL OPENINGS: GENTING MALAY

- GENTING MALAYSIA's Resorts World Genting could reopen before September if Genting convinces the government it has a sustainable health and safety plan, GGRAsia reported.

Malaysia released a plan to fully reopen after September 1, but measures will be relaxed between now and then.

COMPANIES: WYNN MACAU

- WYNN MACAU is proposing \$750 million in senior unsecured notes due 2026 as it builds liquidity.

The company also expects to report an EBITDA loss of US\$126.1 million to \$118.8 million for the two months ended May 31 vs. a positive \$215.2 million last year.

Revenue should be \$17.9 million to \$19 million for the same period, a 97 percent decline.

As of May 31, Wynn Macau had cash of \$1.71 billion and borrowing capacity under the revolver of \$24.1 million.

Wynn Resorts owns 72 percent of Wynn Macau.

US: LV, NV

- LAS VEGAS. Airlift into Las Vegas might be limited, but bus service is about to become more plentiful.

Greyhound announced that it will expand its bus service to the Strip and Downtown.

Additionally, entertainment oriented FlixBus is resuming service from Los Angeles and Phoenix, with COVID protocols, the Las Vegas Review-Journal reported.

- NEVADA. A movement has been launched to require casino guests to wear facemasks while indoors.

Slot machine partition developer Jamie Leigh Klingler plans to ask the Nevada Gaming Control Board and Gov. Steve Sisolak to mandate the rule.

“Casinos have only been open a few days and it is evident that people are choosing to ignore the dangers of not wearing a mask in public,” she said.

INTERNATIONAL: SWEDEN

- SWEDEN approved temporary weekly deposit limits of \$495 to protect players from gambling-related harm during COVID-19.

The limit goes into effect July 2 and will remain in place through year-end.

INTL ENT DEVELOPING MANILA CASINO

International Entertainment, the Hong Kong-listed Philippine casino operator, plans to expand New Coast Hotel Manila casino into a casino resort.

International Ent currently leases the property from PAGCOR but plans to apply for a license to develop New Coast into a resort including an expanded and upgraded hotel and other facilities.

New Coast currently offers 370 hotel rooms.

FANTINI'S VIRTUAL TRADE SHOW

As COVID-19 has caused the cancellation of many trade shows, now is the time to turn to a virtual show to display and advertise all your product lines and news events too.
