

Press Release: **Spintec is ready to impress at Global Gaming Expo in Las Vegas**

Spintec, one of the leading providers of Electronic Table Games (ETG), is attending one of the biggest shows in the industry, **Global Gaming Expo (G2E)**, with great enthusiasm. The event is taking place on 15-17 October at Sands Expo in Las Vegas.

Spintec will be introducing ultimate gaming solutions and their industry-leading innovations which are well-known for their cutting-edge design and technical perfection, resulting in prolonged gaming sessions.

Visitors will have the opportunity to see a large company's product portfolio, including **Karma Automated Roulette**, which is the company's core product. In Addition, **Aura** product line is ideal for amphitheatre setups, combining live, automated, and virtual games in one seamless and enjoyable multigame experience. Spintec's unique gaming solutions meet the most demanding operators' requests.

Spintec is excited to present this year's company's achievements to the global gaming market. At the beginning of the year Spintec announced a strategic and technological partnership with Gauselmann Gorup with the launch of a new product, Merkur ETG powered by Spintec, which is experiencing great success on the markets. In addition, the company extended its games library and launched an exciting new game, Blackjack, which has been receiving very positive feedback from the operators and their players. Another new milestone the company made was product approval and entering the Australian market. Spintec signed several contracts and made first ground-breaking installations across the country. All these achievements and lots more prove that Spintec remains one of the leading companies in the international gaming industry.

»The first part of the year was a great success for Spintec, and merit goes to our entire team. We are very confident in maintaining the company's growth in the future. At the end of the year, we will also expand our business premises and increase the production capacities by three times, « said Goran Miskulin, Spintec's CEO.

»We are delighted to be returning to G2E Las Vegas this year, the show is a great opportunity to meet our business partners from all over the world, and to discuss future plans, « added Miskulin.

Spintec would like to welcome all visitors to meet their team at **booth #2046**. If you would like to meet Spintec Team, reach out to [sales@spintec.si](mailto:sales@spintec.si).
