

## **Gaming Laboratories International (GLI®) Encourages Clients to Leave Nothing to Chance at Global Gaming Expo (G2E) 2016**

LAS VEGAS, NV (September 15, 2016) – Regulators, suppliers and operators should leave nothing to chance when it comes to important business decisions and staying current on the gaming industry's policies and procedures. [Gaming Laboratories International \(GLI®\)](#) is here to help. The company's experts will be at Global Gaming Expo (G2E) 2016 in booth #4430 to not only offer strategically driven advice to their clients, but also exhibit their wide range of services, which include (but are not limited to):

- Field Inspections
- GLI University® Training and Regulators Roundtables
- Lottery Testing
- Network Risk Assessments
- Quality Assurance Testing
- Regulatory/Jurisdictional Consultation
- Tribal Consultation

Beyond GLI's international technological capabilities, the company is completely integrated, which helps keep pace with the speed of innovation and allows GLI to offer its clients so much more. In addition to world-class testing, GLI offers a full range of capabilities beyond testing, including training and tools for today's land-based and online gaming world.

GLI's Vice President of Global Services Ian Hughes said, "GLI's goal is to help our clients be successful in their gaming industry endeavors, which is why we pride ourselves on being a one-stop shop for testing, certification and professional services. Our team of world-class professionals wants to serve as your global resource and knowledge bank, and we are committed to providing you with efficient and effective business solutions."

Join GLI at G2E booth #4430 Sept. 27-29 and open a world of possibilities. To register for a complimentary exhibit hall pass, please visit <http://bit.ly/FreePassG2E>.
