

Gaming Laboratories International (GLI®) Lends Unsurpassed Global Expertise to Regulators, Suppliers and Operators at ICE Totally Gaming

HAARLEM, The Netherlands (26 January 2017) – Across Europe and extending as far as Japan and Brazil, the land-based and iGaming industries are in a state of evolution and emergence. At ICE Totally Gaming, global experts from [Gaming Laboratories International \(GLI®\)](#) will be on **Stand N3-210** to guide regulators, operators and suppliers through the most urgent questions of this new period in gaming.

GLI Managing Director of Europe and Africa Martin Britton said, “We have never been more optimistic about the gaming industry, both land-based and online. Of course, as technologies evolve, new questions arise, and operators, suppliers and regulators worldwide rely on GLI for guidance and expertise to ensure they leave nothing to chance. We are excited to bring our global knowledge to ICE Totally Gaming where the show floor will be populated by new and exciting technologies that will challenge us all to up our game.”

GLI recently became the first international gaming laboratory to earn accreditation in the Czech Republic, increasing GLI’s activity across Europe and allowing the company to provide assistance to the Czech Ministry of Finance and Gaming Board. Britton will be on GLI’s stand to discuss the latest developments in the Czech Republic and in other land-based and iGaming markets across EMEA.

Additionally, as Brazil continues to be an emerging area of interest, GLI’s Director of Latin America and Caribbean Government Relations and Business Development Karen Marcela Sierra-Hughes will be on GLI’s stand. She will also moderate the LatAm Briefing, which takes place 8 February from 2:30 to 4:30 p.m. More information on this exciting session is available at <http://bit.ly/ICELatAm>.

GLI is the world’s leading gaming testing lab, and land-based and iGaming testing and certification services are only the tip of the iceberg. Others include:

- Professional Services
- Security Auditing
- Security Operations Center (SOC) & Network Operations Center (NOC)
- 24/7 Monitoring and Managed Security Services
- eSports and eLottery Testing
- DFS (Daily Fantasy Sports) Audits
- Social Gaming Audits
- Geo-location Testing
- Electronic Raffle Testing
- In-venue Wireless Testing
- Mobile Gaming Testing
- GLI University® and ISO Testing
- Forensic Investigations
- Expert Witness Research and Testimony
- EGM, Kiosk, Slot and VLT Testing
- Skill-based Games Testing
