

EGR at ICE London 2019
5-7 February 2019
ExCeL London, UK

Got a query about your subscription? Want to learn more about EGR's membership packages? Then visit EGR Global at next week's **ICE Totally Gaming** event at the ExCel in London. Taking place on 5-7 February, ICE is the world's largest gaming exhibition and is a unique opportunity for both the online and offline sectors to network, exhibit their latest products and discuss the latest industry trends via dozens of talks.

EGR will also be in attendance for the entirety of event, with its stand located near the main entrance of the ExCel at **ND2-D** where our team will be on hand to answer all your questions. And if you drop off your business card and enter our Mario Kart competition you could be in with a chance of winning prizes.

The EGR team will also be available to discuss the launch of our most recent publication, EGR Compliance, as well our new data product and all our events.
