

## Gary Platt Brings Patented Designs, Latest Innovations to ICE 2019

RENO, Nev. (January 2, 2019) – Coming off the best year in the company’s history, Gary Platt is bringing its patented designs and latest innovations to ICE Totally Gaming 2019. Gary Platt will be at stand #S5-200 at the tradeshow, showcasing its unsurpassed comfort seating for all areas of the casino and hotel.

“Our customers worldwide have been responding very positively to our product lines, and because of their support, Gary Platt is the number one global gaming chair provider for the fourth year in a row,” said Gary Platt Vice President of Sales Joshua Corrick. “We have one job, and that is to make the world’s most comfortable chairs for operators so that their players are as comfortable as possible, and we are honored to be recognized as the global leader in comfort and design.”

Leading Gary Platt’s exposition is the company’s new line of sportsbook chairs. Gary Platt’s sportsbook line features styles inspired by the company’s portfolio of field-proven and player-favorite chairs. Styles in the sportsbook line include the patented Monaco (US Patent No. D829458), Bleu, Genoa Club, GX2, Lido Revo, Lugano, Sierra, and Sonoma Club. Each chair is customizable to fit each individual casino’s design, with a wide range of upholstery, finishing, and base styles to choose from.

In addition to sportsbook seating, Gary Platt will showcase seating for all areas of the casino, including slots, tables, back of house, convention, and guest room.
