ICE LONDON

ExCeL Centre

POST-SHOW PRODUCT OVERVIEW

February 2020

Guests at ICE London 2020 encountered a library of proven slots for Konami Gaming, Inc.'s award-winning specialty cabinets: KX 43™ and Concerto Opus™. More than 35,000 gaming executives and professionals had the opportunity to experience Konami's top titles of the new year on February 4 – 6, 2020. Popular linked progressive series such as Dragon's Law SeleXion®, Ba Fang Jin Bao™, Treasure Ball™, and more, covered stand #S7-110 with proven math and original mechanics. Concerto Slant showcased more than two dozen games, as a continuation of Konami's Concerto dual-screen content. In addition, this year marked the ICE premiere of Konami's new DIMENSION 49J™ cabinet, with premium merchandising options and high-end entertainment value.

CONCERTO™ OPUS KX43™

Target Release: Available Now

KX 43 and Opus featured a large lineup of 4K UHD game content during ICE 2020, including integrated jackpot games, linked progressives, and SeleXion multi-game compatible progressives. Proven series including Treasure Ball, Ba Fang Jin Bao, and Triple Sparkle arrived at this year's show for operators to experience firsthand. With a standard cabinet width, four-times the pixel depth of standard HD, and leading library of 4K UHD game themes, Konami's award-winning KX 43 is designed as a trim-fit champion for any area of the floor. Its 43-inch, edge-lit portrait screen carries custom-programed graphic interaction with the LCD button panel, which is inlaid a relaxed slant top. Konami also brought top gaming entertainment to the big screen during ICE with Opus. Its extra-large, 65-inch display makes every win an incredible celebration.

TREASURE ★★BALL★★

Concerto Opus & KX 43 / Target Release: Available Now

Treasure Ball is a one-of-a-kind linked progressive game available on Concerto Opus and KX 43. Inspired by the surprising fun of retro coin-operated toy capsule machines, Treasure Ball can be recognized by its large globe of round mystery prize balls, which players can redeem and reveal during the bonus. As a unique attract feature, Treasure Ball's long-tailed dragon character periodically flies across all connected screens simultaneously with incredible effect. This linked progressive game combines with most any KP3+™ base game, including Lion Carnival™, 5 Elemental Legends™, Cobra Hearts™, Mammoth Power™, and more.

Concerto Opus & KX 43 / Target Release: Available Now

Konami's popular SeleXion multi-game technology and player-favorite Dragon's Law™ series are coming together in an entirely new Dragon's Law SeleXion pack in 4K UHD. Available on KX 43 and Opus, Dragon's Law SeleXion showcases a pair of progressive jackpot games, each championed by the iconic long-tailed dragon first popularized on the company's Podium® cabinet.

In Dragon's Law Boosted™, players can enjoy the familiar 5-reel game or select the "BOOSTED" button to double the lines with double the reel frame. In addition to the random wild feature that players know and love, Dragon's Law Boosted has a random progressive jackpot chance, including a \$5,000+ Maxi.

The SeleXion companion title to Dragon's Law Boosted is Dragon's Law Rapid Fever™, which showcases the popular Dragon's Law mystery wild feature with fantastic high-reward potential. Throughout primary play, an activated Strike Zone™ area is outlined in blue, which players can expand from right to left by increasing their extra bet amount. Randomly during or after any spin, the long-

tailed dragon flies down to the reels to scatter wild symbols packed with a fever of random bonus prizes, including credit awards, jackpots, and wheel spins. All prizes that land within the selected Strike Zone are awarded, while those that land outside the Strike Zone serve as regular wild symbols.

Concerto Opus & KX 43 / Target Release: Available Now

Players can experience an epic array of pulse-pounding linked progressive titles with Konami's original Ba Fang Jin Bao™ series, available on KX 43 and Opus. [Ba Fang Jin Bao](#) offers a \$10,000+ grand jackpot on its symbol-driven, four-level linked progressive platform. This game makes the most of the popular penny game category, with bets ranging from 88-cents to \$8.80, with higher jackpot odds at higher bet levels. Available Ba Fang Jin Bao base games—Abundant Fortune™, Fortune Totems™, and Joy of Riches™—all feature a progressive chance anytime a gold ingot symbol lands on the reels.

ABUNDANT FORTUNE

[Abundant Fortune](#) provides a bounty of adventure throughout game play. Free games are triggered when any three or more gold mark symbols fall on the reels. The player is invited to choose the gold symbol that catches their eye. Each time this selected symbol lands on the reels, both the symbol and the reel frame expand, to a max of 5-5-5-5-5.

FORTUNE TOTEMS

[Fortune Totems](#) is a compatible complement to Abundant Fortunes in the Ba Fang Jin Bao linked progressive series. During the free games, players select which picture symbol they wish to become gold for the duration of the feature. This selected gold symbol appears with nudging stacks and higher payouts. In addition, the gold symbol has an incrementing multiplier that increases each time it lands in a winning combination during the free games.

DIAMOND TRAILS

Concerto Opus & KX 43 / Target Release: Q1, 2020

Diamond Trails™ is a symbol-driven progressive series that gives players a unique instant credit prize feature while they work toward linked and standalone jackpot opportunities. Throughout game play, diamonds stretch up across the top of the screen. When any 4 or more diamonds are collected on the primary reels, players have a chance to claim instant credit prizes from the diamonds stretching up above the reels, reaching higher amounts as the player advances to higher diamond levels, up to potential jackpot prize opportunities.

SAFARI WINNINGS

With an adventurous outdoor safari theme, Safari Winnings™ is a standard 5-reel base game that takes Diamond Trails to the land of lions, rhinos, and zebras. Throughout primary play, paw symbols appear across all reels. If any 3 or more paw symbols are collected, up to 12 free games are awarded, as additional diamond symbols rush onto the reels for increased jackpot odds.

OCEAN WINNINGS

Ocean Winnings™ is a compatible complement to Safari Winnings on Diamond Trails, with the backdrop of a spectacular underwater world. During the free game feature, high-value picture symbols randomly transform to include a nautical red and white border. At the conclusion of the spin, these transforming picture symbols are overtaken by a splash effect to become wild.

DELUXE SPIN-DER™

KX 43, Concerto Crescent, & Concerto Stack / Target Release: Available Now

Players can build their own bonus wheel and drum up a collection of jackpot prizes in Deluxe Spin-der™. This integrated jackpot game features an exciting wheel bonus, expanding wilds, and expanding wild multipliers, delivered through an extra prize reel. Located just above the primary reel frame, the extra prize reel is activated from left to right with increasing extra bet amounts. If active, each of the three extra reels can send expanding full-reel wilds to the reels below, as well as expanding wild multipliers during the free games. The wheel feature is triggered when any 6 wheel symbols appear on the reels. The highest symbols prizes displayed are then inserted to the prize wheel to build a deluxe wheel, with guaranteed awards.

RISING KOI™

Concerto Opus & KX 43 / Target Release: Available Now

Rising Koi™ is an original Strike Zone game. This symbol-driven standalone jackpot game allows players to expand a central reel area called the Strike Zone for more win opportunities as they increase their bet amount. Whenever a Koi symbol lands in the Strike Zone with a Trigger symbol on reel 5, the Rising Koi Feature is awarded. The Koi fish symbols awaken, splash into the pond at the lower half of the screen, and jump up to catch credit awards highlighted in the upper half of the screen. Any credit awards they reach are instantly awarded, and can even include the large jackpot prize. Koi symbols can also include a mystery multiplier.

TREASURE LOUNGE

Concerto Opus & KX 43 / Target Release: Q1, 2020

Treasure Lounge™ is a 4K UHD integrated jackpot game with a novel play mechanic that doesn't involve traditional spinning reels. When the player hits spin, various Tiki symbols slide onto the screen in five columns of random height. Any columns which are tall enough to reach the blue credit prize symbols displayed in the upper part of the screen then claim those rewards. If a bonus reel appears in the upper half of the screen, players win either the Tiki Drop Feature, Tiki Rise Feature, or both combined. In the Tiki Drop feature, additional Tiki symbols are randomly dropped across the reel frame, and in the Tiki Rise Feature, stacks of Tiki symbols nudge to the height of the tallest Tiki for added win potential. Treasure Lounge also includes a multiplier feature, as well as a wheel spin feature filled with credit prizes and four different jackpot levels. Depending on the player's selected bet level, wheel spins are displayed at the highest part of the reel frame, for users to claim any time a Tiki column reaches it.

MAJESTIC MOON TRIPLE SPARKLE

Concerto Opus & KX 43 / Target Release: Q2, 2020

Konami's popular Triple Sparkle linked progressive series is taking on new territory with the addition of Majestic Moon Triple Sparkle™. Its proven betting structure incentivizes higher bets for a greater chance of a higher jackpot. Whenever framed Action Stacked Symbols® undergo a third transformation, players can win a Mini bonus, Major bonus, Mega progressive, or large Maxi progressive starting at \$10,000. Majestic Moon Triple Sparkle can link compatibly with Riches Daikoku Triple Sparkle™ and Solstice Celebration Triple Sparkle™.

CHILI CHILI FIRE BOOSTED WINS & WILDS

Concerto Opus & KX 43 / Target Release: Available Now

button panel at 180, 360, or 540 credits, they activate an array of boosted potential wins and wilds in each spin. By betting in the “boosted” range, all wins are multiplied by 2x, 4x, or 6x. In addition, all neighboring wild symbols become stacked wilds or stacked wild jackpot symbols. When any stacked jackpot symbol appears entirely at the end of a spin, the corresponding jackpot is instantly awarded. Because the Fade Away Feature can randomly eliminate all lower-value card symbols after any spin—leaving only picture symbols, stacked wilds, and stacked jackpot symbols—there is a strong anticipation and reward potential when the Fade Away Feature is triggered.

GOLDEN MESSENGER

Concerto upright & Slant / Target Release: Q1, 2020

Golden Messenger™ is a persistent state, 3-level standalone progressive with a symbol-drive jackpot mechanic. Whenever any 3 coins land on the reels, players are presented with a random pick game. A green pick game invites players to select one of three mystery credit prizes. A blue pick game offers three mystery free game awards. Lastly, a red pick game grants a selection of 3 mystery jackpot awards. During the free games, players only need to collect 1 coin to retrigger the pick feature.

TOADALLY WILD

Concerto upright & Slant / Target Release: Q1, 2020

Toadally Wild™ is an original new standalone progressive game, with multi-denomination capabilities and 3-level integrated jackpots. All symbols in the center reels carry colored backgrounds—either blue, red, or green. Whenever 3 symbols land with matching colors in a row (vertically or horizontally) they transform to wild toad symbols for big potential payouts. Stacks of gold background symbols appear on reels 1 and 5. Whenever gold background fills the first and last reels, the Jackpot Bonus Feature is awarded. The entire reel frame transforms to two gigantic symbol positions, which players spin to determine instant prizes including credit awards, standalone bonus jackpots, and the maxi progressive.

DIMENSION 49J

This year marked the ICE debut of Konami's new DIMENSION 49J, equipped with a 49-inch 4K Ultra HD (UHD) display and designed with a "J" curve for an improved player viewing angle. Engineered from the ground up, its streamlined frame and custom merchandizing options deliver entertainment over a wide variety of potential placement areas on the casino floor. The DIMENSION 49J's custom-engineered button interface is contained within a lighted deck, with dual classic spin buttons and generous surface space for drinks, phones, and other personal effects. Additional player conveniences include a wireless smartphone charging pad, USB port, and built-in handbag hook.
