Las Vegas, Nevada, March 28, 2019, – Certus Gaming USA, Inc., is pleased to announce it will once again exhibit its new generation casino and route management solutions at the National Indian Gaming Association Tradeshow taking place the week of April 1<sup>st</sup> in sunny San Diego, California.

The Connected Casino by Certus™ gaming solutions were designed by a team of experts having decades of experience in the industry, incorporating the latest technologies and methodologies in gaming.

“The Connected Casino is nothing short of a success story. Not only do we offer the most advanced, and frankly, economical solutions, our patented Marketing Automation engine is market proven to significantly increase revenues. That’s right, a management solution that doesn’t merely do mundane operational tasks, it is truly proven to *drive* revenues. We look forward to continuing as a supporter of NIGA and more importantly, supporting the mission of the National Indian Gaming Association and all its members” stated Kurt Quartier, President for Certus Gaming USA.

Come visit Certus at Booth 2112 for a demo or contact Catherine Blieka [cblieka@certus-gaming.com](mailto:cblieka@certus-gaming.com) to arrange a meeting time.

Certus Gaming USA, Inc. is a subsidiary of Certus Technologies, Sarl, a Luxemburg based company which develops and delivers cloud-based systems solutions for the gaming industry. Certus solutions are leading the way in allowing operations to connect with gaming patrons in new and innovative ways, using real-time business analytics and a US patented industry leading marketing automation engine.
