

Scientific Games Brings Exclusive Games, Systems And Dynamic Sports Betting Solutions To NIGA 2019

LAS VEGAS, March 29, 2019 /PRNewswire/ -- [Scientific Games Corporation](#) (NASDAQ: SGMS) ("Scientific Games" or the "Company") will showcase its commitment to developing the gaming industry's most innovative products, content, and technology for casinos, mobile gaming and sports betting at the Indian Gaming Tradeshow & Convention, hosted by the National Indian Gaming Association (NIGA) on April 3 and 4 in booth #1631 at the San Diego Convention Center.

"We're excited to connect with our partners at NIGA and share with them the latest and most innovative products, content and technology which all work together to create opportunities for players to enjoy great games they love anywhere, anytime, across any channels," said Scientific Games President and CEO, Barry Cottle. "There is so much energy leading up to this show and our team is ready to help our partners create the best player experiences from the casino floor to sports betting."

Scientific Games continues to lead the industry by transforming the traditional casino into a dynamic space that offers unique social experiences, fosters player interaction and creates immersive environments. All of the Company's games, platforms and systems work together to create a connected, immersive and personalized player experience.

New, Amazing Games

At the heart of Scientific Games is an intense focus on creating amazing player experiences and great games. The Company continues to build a state-of-the-art entertainment ecosystem that delivers thrilling content across all gaming verticals, from the casino floor to mobile to sports.

Some of the dynamic games and products the Company will share at NIGA this year include compelling and engaging content.

- Scientific Games will introduce its first licensed Class II wide-area progressive jackpot game with *MONOPOLY Grand*™. The iconic game offers a thrilling, lightning-fast gaming experience

with bonuses that highlight the classic board game such as the Electric Company free games and Free Parking feature.

- *Lock It Link® - Lu Lu Tong™* and *Lock It Link® - Shi Shi Shun™* are the first Asian-themed games in the hugely successful *Lock It Link* game series and are debuting exclusively in the Class II market. *Lu Lu Tong* is a 5-reel, 50-line game and *Shi Shi Shun* is a 5-reel, 243 ways-to-win game. Both games showcase the player-favorite *Lock It Link* feature, a free spins bonus where adjacent designated symbols on the reels will be linked together and locked in place.
- *MUNCHKINLAND™*, the newest game in the Company's successful *THE WIZARD OF OZ™* slot series, will also be on display. This highly anticipated game, showcased on the *Gamefield® 2.0* cabinet, features the beloved characters and classic scenes from the iconic film, and is the first *WIZARD OF OZ* slot to utilize 3D rendered characters, including the first-ever appearance of The Wicked Witch of the East, as an integral part of the game's features and bonuses.
- Many player favorites will also be available for sale on the new *TwinStar® Wave XL* cabinet. The stunning *TwinStar Wave XL* offers a bigger and better player experience, showcasing a stunning, curved, 49-inch, 4k resolution, ultra-high-definition display, generating the kind of sensational graphics seen in high-end home theatres.
- Scientific Games will also feature the best in table game products including the *Free Bet Blackjack™* on *Table Master Fusion®* and *Paris Poker™*.
- As the number one provider of gaming systems, Scientific Games will demonstrate its unrivaled cardless, cashless, connected player experience with systems products that create an exciting gaming environment and a more profitable and informed operator including the *iVIEW®4*, which offers cardless loyalty enablement and a cashless wallet.
